Door hard against the ceiling? Standard arm scraping on the ceiling? Need door to hold open? Our HDC3T slide arm door closer will solve all these problems for you. Suitable for any door up to 2700x1000mm in size and 60kgs in weight. Only needs 45mm from the top of door to ceiling to operate properly. Commonly used in commercial offices. 10 year warranty.

HDC3T - \$66.90 +GST

Tired of your fast fix hinges spreading under duress? Have a look at the design of our HFFLH stainless steel hinge. The unique hole pattern eliminates spreading and misses the screw flutes on most shopfront systems when fixing to frames. Made from high quality 304 grade stainless they have become a must on many heavy-duty applications.
